As a charity ourselves, we are well aware of the significant costs for hiring a minibus and would, therefore, like to support other charities and organisations by offering the use of our minibus at a much reduced rate - up to 40% cheaper than many commercial hire companies! This is a non-profit making scheme and all hire funds are to cover the continued running of this extremely valued service.

Discount Hire Rates:

Half Day	£50
Full Day	£75
Weekend (Fri~Sun)	£150
Full Week (7 days)	£420

A £150 deposit will be required. This will be fully refunded upon the return of the minibus in the same condition as when it was collected.
