

Derby Kids' Camp

Giving kids a break...

Registered charity No. 510785

Web: www.derbykidscamp.co.uk

Dear Volunteer

In order to provide transport for Summer Camp activities we rely on our minibus for additional transport. Each Camp Leader selects minibus drivers from available drivers on their week of camp. On camp, the minibus is driven by volunteers with experience in driving this (or similar) vehicles.

If you have experience of driving minibuses or similar types of vehicle, then your Camp Leader needs you! More minibus drivers mean more flexibility and also that one person isn't needed to do all the driving.

On camp, your Camp Leader should be able to arrange an informal training session in the minibus to allow you to get used to it without the distraction of the kids.

If you feel you could be of assistance, please fill in the form overleaf and return it with a photocopy of your driving license to the volunteer organiser when you return your application form.

If you have any queries about driving the Derby Kids' Camp minibus please feel free to contact me on the number below.

Many thanks,

Michelle Edwards

Guidance on Completing the Form

No.3 Date of Birth – You must be over 25 to drive the minibus

No.4 - If you do not consider yourself to be a competent driver please do not go any further. Minibus experience is valuable but not essential. If you are chosen to be a minibus driver your Camp Leader can arrange an informal training session while on camp.

No. 5, 6 and 7 – Please be honest! Minor convictions and insurance claims will not disqualify you from driving the minibus. However, if you do not declare them you will not be insured for any accidents that may occur while you are driving.

No. 9 - If you have a photo license we will require a copy of the paper counterpart license. You will also need to bring your driving license with you to Summer Camp.

If the details given are okay, DKC will authorise you to drive the minibus and your Camp Leader will be informed. Details will be recorded for insurance purposes.
